From Mrs. LaPaglia

Dear Parents and Guardians,

As I begin my first week as the Fisher Elementary Principal, I am reminded of the impact that educators have on children. Just as mother nature colors our world with beauty this time of year, our teachers color your child's world with the necessary skills and knowledge that enable them to be curious and engaged learners.

I've visited all classrooms and am amazed by the energy and enthusiasm our teachers exude as they teach. Your children could not be in better hands and please know that they are well cared for, loved, and nurtured.

We have included important dates in this newsletter. Going forward, I will ask each grade level team to highlight the month's learning and activities.

I look forward to meeting all of you in the coming days and months. Please feel free to contact me at FLaPaglia@cvalleycsd.org or by telephone at 866-4851.

Thank you for your support as we work together to provide your children with the best possible education and opportunities.

Take time to enjoy the splendor of fall before the leaves fall!

Sincerely,

Fran LaPaglia
Principal

Office news

I am very pleased to have Mrs. Mary Day as my secretary. Please know that you can leave any messages for me with her and I will get back to you as soon as possible.

Go Home Drill

URGENT

October 15th is our emergency go home drill. We will be dismissing students at 10:00am *however all staff will remain at work for the afternoon as it is a Superintendent's Conference Day*

Please be on the lookout for a reminder that will be coming home on colored paper as the date gets closer.

Student Drop-off Times/Procedures AM

Student safety is our primary concern. Please do **NOT** drop off your child(ren) prior to 7:30 as there is no supervision until that time.

Parents that need supervision for their child(ren) have the option of participating in the 6 to 6 program for a nominal fee. This program is run by the Mohawk YMCA. Their contact number is

Fire Prevention Week

October 7th—from 9am-11am

The Mohawk Fire Department will be at Fisher Elementary working with grades K-4 teaching them about fire safety such as

Stop, drop, roll and cover

Get out stay out

Stay low and go

Sparky the Fire Dog has his own page at www.sparky.org

This page is full of activities for parents, teachers and kids.
