STRATEGIC PLANNING - PARTICIPATION OPTIONS

Strategic Planning Team Approximately 30 members

Characteristics

The team should reflect the diversity of the school system and community. Individual members should:

- be respected by and enjoy a high degree of credibility with their peers;
- be willing to listen to ideas of others;
- express their points of view and work towards consensus; and,
- contribute to the creation of a long term vision and plan for the school system.

Commitments

Participate actively and fully in all Strategic Planning team meetings and events. Support the decisions of the Strategic Planning team.

See relationship and dates of this team to the Strategic Partners Team as indicated on the right.

Dates and times

- November 3, 2015 5 to 9 p.m.

Joint meeting of Strategic Planning Team and Strategic Partners

- January 25, 2016: 5 to 9 –

Joint meeting of Strategic Planning Team and Strategic Partners

- March 1, 2016: 5 to 9 p.m. –

Report to Board of Education

- March 30, 2016 at Board of Education meeting (with Strategic

Strategic Partners Unlimited Membership

Characteristics

The team should reflect the diversity of the school system, with an emphasis on those who provide direct service to students. In a school district, teachers from primary grades, intermediate grades, middle school and high school are included to provide distributed representation. District staff with responsibility in curriculum, assessment and professional development is included as well.

Membership should also include parents, community members and members of the Board of Education. Individual members should: be willing to learn about, envision and create plans of action consistent with the Strategic Plan; possess some experience and knowledge in the areas of the strategic goals that include: working with groups, project planning, setting and meeting standards and deadlines; a willingness to work with others to reach consensus; ability to envision possibilities, help others to do so and to set aside special interests.

Commitments

- An evening meeting on **December 7, 2015** to develop a template and rubric for the measureable results and implementation plans aligned to strategic goals based on guidance models provided.
- Team members will be asked to present drafts of the measureable results and implementation plans created at and after the **December 7, 2015** meeting to the Strategic Planning team at the second planning meeting on **January 25, 2016**.
- Using the feedback provided by the Strategic Planning team, team members will refine the measurable results and implementation plans and present the revisions to the Strategic Planning team on **March 1, 2016**.
- Attend the **March 30, 2016** Board of Education meeting and assist the Strategic Planning team in the presentation of the comprehensive Strategic Plan. Attend regularly and participate actively in measureable results and implementation planning meetings, which may meet outside of the school day.
